

2020 AGC of America/HCSS Highway Work Zone Awareness Survey

June 30, 2020

Ken Simonson

Chief Economist, AGC of America

ken.simonson@agc.org

Frequency and severity of work zone crashes

(% of contractors reporting each type of event)

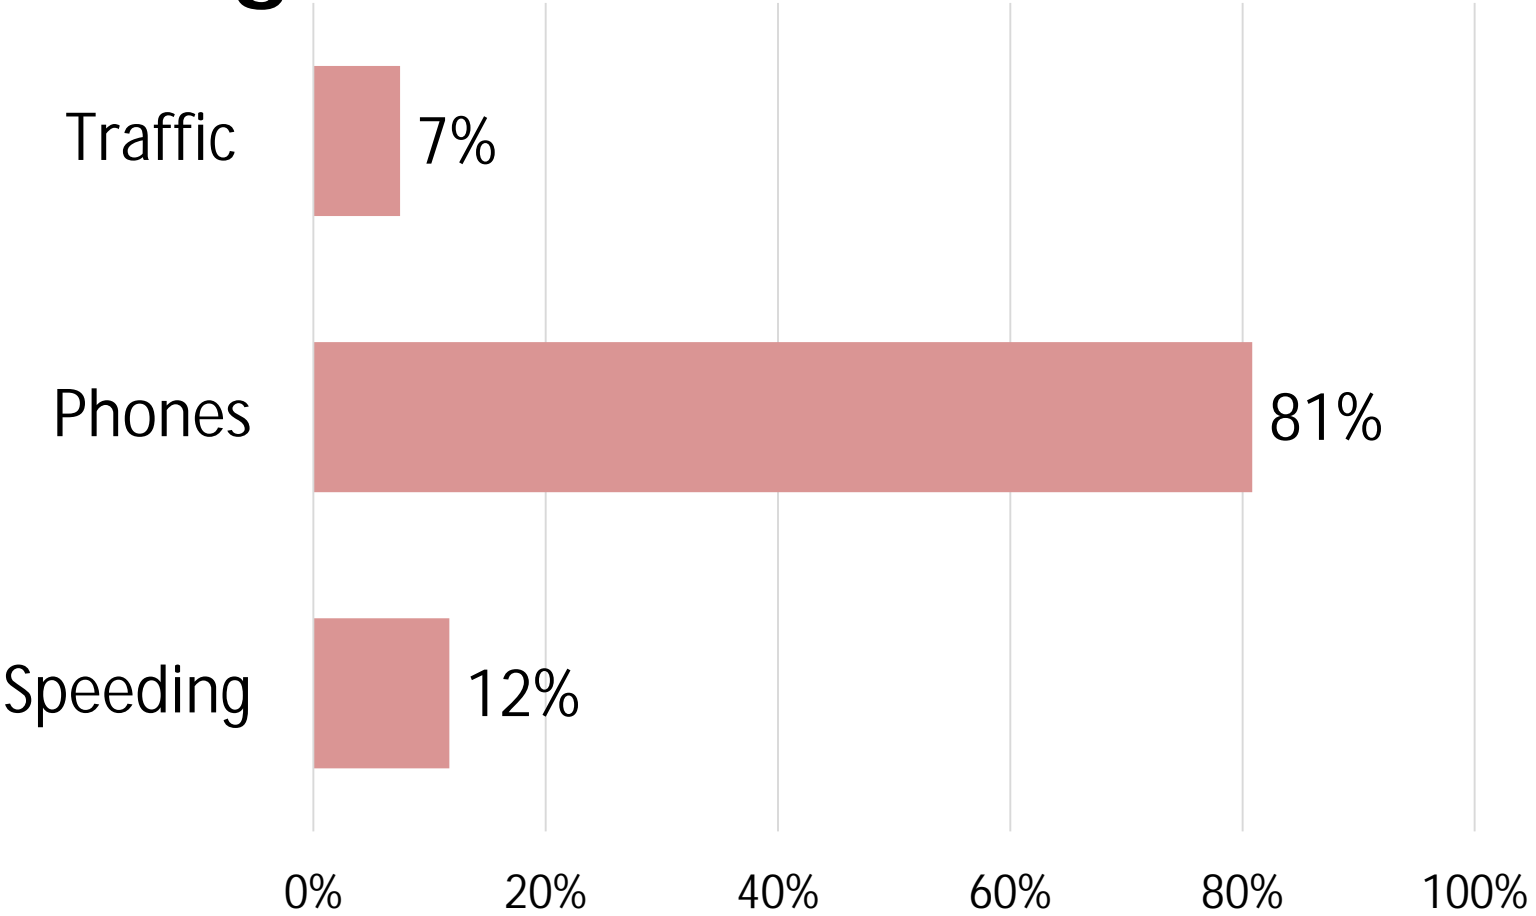

How have changes in highway traffic levels since the coronavirus impacted safety in highway work zones?

Five vertical lines are present on the page, likely serving as a placeholder for a chart or data visualization.

Why do you think highway work zone construction is more dangerous today compared to a decade ago?

Preferred measures to reduce number of highway work zone crashes, injuries, and/or fatalities
